

dom.ino+

A REAL + TO AN ICONIC COLLECTION.

Il cemento da semplice componente strutturale diventa un elemento materico dalla forte valenza estetica, come nel memorabile progetto della maison Dom-Ino (Domus Innovation) a cui si ispira la nostra collezione. Le sei nuove varianti cromatiche si aggiungono a quelle esistenti, per creare una collezione in dieci colori. La doppia finitura da interno ed esterno ed il decoro SPATOLATO, fanno sì che DOM.INO ben si adatti alle diverse conformazioni dell'abitare.

The transformation of cement from a simple component of structural matter to aesthetical element of great power, just like in the timeless project of "Maison DOM-INO" (Domus Innovation) from which our collection takes inspiration. Six new colours, in addition with actual ones, generate a ten colors collection. Two finishes, indoor/outdoor and the SPATOLATO deco, make it possible for our DOM.INO collection to fits today's living solutions.
